Please bring the following documentation for yourself (and a secondary parent residing in the household, if applicable) in order for CHS staff to determine your eligibility for child care services.

- One full month of income from August or September 2024 (including check stubs, child support, etc.) (per parent)
- If one or both parents attend school/training, bring an electronic print-out of the class schedule for all classes
- Child(ren)'s birth records (e.g. birth certificates or other reliable documentation indicating the relationship of the child to the parent)
- School-aged child(ren)'s school bell schedule(s)
- Immunization records for all children under the age of 5
- Child care provider information (name, address, and phone number) - You may select a license-exempt (friend, family, neighbor), licensed family child care home, or licensed center to care for your child

We suggest that you meet with the prospective child care provider to take a tour of the facility, review rates and hours of operation, and ask if space is available for your child(ren). If you do not have a child care provider, please visit www.chs-ca.org where you can search for licensed child care providers that meet the needs of your family.

If you have questions regarding your eligibility for subsidized child care or the documentation that is required, please contact CHS at **(714) 712-7866**.
